I received your letter regarding a Mr. Peter P. Garon. I have been unsuccessful in obtaining any information on him as it seems that he has never been active in our local Scouting program.

Let me know if I should do anything else. I might be able to utilize the local authorities but am not sure that we want to do this. However, I will leave it with you.

Peter P. Garon 2/20/90	Child Molestation	
---------------------------	-------------------	--

Received a letter from Paul Ernst indicating that Garon had written the National office indicating that he had been molested in Scouting and has also been a molester himself. Ernst asked Cree to see if any information was available locally.

3/31/90

Cree wrote to Ernst reporting that nothing had been found locally but offering to check with cooperating authorities if this would be in order. No records exist indicating any local affiliation with the Boy Scouts of America.

10/3/90
Ernst called Cree asking that any information and files that Cree has regarding Garon be copied and sent to Ernst which was done.

Dear Bob:

We recently received a copy of a letter which Mr. Garon sent to the council in Lawrence, MA indicating that he had been sexually molested by his Scoutmaster, approximately 20 years ago. He, also, indicated that he is now a child molester himself and has a lot of problems related to his original molestation.

We want to put Mr. Garon on our Ineligible Volunteer File and would like to know if anyone in your council knows him or could get us some personal information concerning him. I am enclosing a record sheet which I would like to have completed with as much information as you might have available through volunteer contacts.

Mr. Garons address is: [REDACTED]
Virginia Beach, VA 23462.

Please do not hesitate to contact us, if you have any further questions as we proceed.

Sincerely,

Paul Ernst, Director

Dear Sir,

I'm writing this letter in regard to an incident that happened to me almost 20 yrs ago. I was a member of troop 8, operating out of the Jewish Community Center on Haverhill St in Methuen, Ma. My scoutmaster was Carmie Middlemiss. On two or three occasions, he sexually molested me on camping trips.

I'm not writing this letter for revenge. I'm only concerned with the welfare of other young boys. I have grown up to be a child molester myself and alot of my problems stem from being molested by Mr Middlemiss.

I'm not asking you to start an investigation. I'm just asking for you to please keep an eye on his troop, if he is still involved in scouting. I realize that I should have told someone as soon as these incidents happened, but, I was scared, ashamed and child molesting wasn't publicized like it is today. I was uneducated and didn't realize that

help was available. I hope that I can
help other kids with this letter.

If you have any questions or I can help
feel free to write to me.

Peter O. Nelson

VA Beach, VA 23462

Respectfully Yours
Peter O. Nelson
